Our Mission Statement

Our mission is to develop a caring community where all children can grow and develop in a healthy, safe environment supported by educated professionals.

Our programs offer:

- Emergent curriculum
- Open door policy
- Field trips and special events
- Long term educated staff
- Care on all early dismissal days and non-school days
- Summer program offered at our Briar Hill school location
- All-inclusive fees with no hidden charges

Our staff:

Are passionate early childhood professionals who are certified in Early Childhood Education as well as First Aid and CPR, have current criminal record checks including a vulnerable sector check, and participate in ongoing professional development
